WORK EXPERIENCE

Amsamotech SARL

Full Stack Developer

January 2024 - Current

local web agency that provide comprehensive web solutions tailored to our clients specific needs.

Techivation Ltd

Full Stack Developer

Septembre 2021 - December 2023

I navigated a challenging and thrilling journey, guiding the creation and perfection of both the website and API for an eCommerce platform of a UK-based company specializing in the sale of audio software products.

BRENCO Engineering & Consulting

Full Stack Developer

August 2021 - February 2022

In my initial role as a Full-time Full Stack Developer within a prominent tech company, I took on the challenge of overseeing multiple projects concurrently

Freelancing / Personal Projects

Freelance Web Developer

Before August 2021

During an intensive 8-month period, I actively applied the range of technologies I had learned to a variety of projects. These included both personal endeavors and freelance work, offering me practical experience in real-world settings.
